HP Elite Folio 13.5 inch 2-in-1 Notebook PC

Stylishly and seamlessly move throughout your day

Your business requires a flexible device that instantly adapts to the task at hand and moves stylishly and seamlessly throughout your day. The HP Elite Folio 13.5 inch 2-in-1 Notebook PC helps keep you connected and ready for what comes next.

HP recommends Windows 10 Pro for business

Adapt to the task at hand

- The HP Elite Folio provides three computing experiences as a laptop, tablet, and media consumption device with a stunning display and modern design elements that allow you to easily adapt to where and how you need to work.

Fast reliable connections

- Trust that your line to the world around you will be there when you need it. An optional 5G[2] connection is powered by long battery life so you can stay productive in almost any location.

Sustainable design

- The environmentally conscious HP Elite Folio uses soft vegan leather.[3] The enclosure includes 90% recycled magnesium by weight[3], and it has ocean-bound plastics in the speaker enclosures.[4] This device also earns an EPEAT® Gold rating in the U.S.[5]

- Create on-the-go with Windows 10 Pro and the connected capabilities of your Qualcomm® Snapdragon™ 8cx Gen2 compute platform that provides a powerful user experience with long battery life.[1,6]

- Transition seamlessly between laptop, tablet, and media mode with a design that features a soft vegan leather cover. Stay productive in the stable laptop mode and get the true feel of a tablet design that hides the keyboard in tablet mode.[7]

- Keep your pen handy and ready to jot down notes or capture ideas. The HP Elite Slim Active Pen charges quickly in the convenient built-in storage space above the keyboard.

- With a design dedicated for use in a laptop, the Qualcomm® Snapdragon™ 8cx Gen2 compute platform with integrated graphics powers your essential work.[6]

- Your "office" can be where you need it, letting you connect almost anywhere with optional support for up to 5G wireless broadband technology with 4x4 antennas that can deliver fast download and upload speeds.[2]

- The portability of your PC and the reliability of a fast connection determines where you can work. Get a fast and reliable connection in dense wireless environments with gigabit data rate Wi-Fi 6 and Bluetooth®.[8,9]

- The hallmark of any mobile device is the battery life. The HP Elite Folio helps keep you productive with fast charging battery that provides long battery life and can charge your battery to 90% in just 90 minutes via USB-C®.[10]

- Enjoy the convenience of centralized controls on the backlit keyboard with media control keys. Rubber dome keys provide the consistent feel and quiet typing experience everyone appreciates.

- Eliminate the need to send yourself emails to move files between your PC and mobile devices. Using the HP QuickDrop app, you can wirelessly transfer photos, documents, videos, notes, websites, addresses, and more between devices.[11]

HP Elite Folio 13.5 inch 2-in-1 Notebook PC Specifications Table

Available Operating Systems	Windows 10 Pro 64 – HP recommends Windows 10 Pro for business[1] Windows 10 Home 64[1] Windows 10 Home Single Language 64[1]
Processor family	Qualcomm® Snapdragon™ processor
Available Processors[3,4,5]	Qualcomm® Snapdragon™ 8cx Gen2 5G with Adreno™ 690 Graphics (up to 3.0 GHz burst frequency, 4 MB L3 cache, 8 cores)
Maximum memory	16 GB LPDDR4X-2133 SDRAM [6] Memory soldered down. Supports dual channel memory.
Internal storage	256 GB up to 512 GB PCIe® Gen3x4 NVMe™ M.2 SSD TLC[7] up to 128 GB PCIe® NVMe™ M.2 SSD TLC[7]
Display size (diagonal, metric)	34.3 cm (13.5")
Display	34.3 cm (13.5") diagonal, WUXGA+ (1920 x 1280), touch, IPS, BrightView, Corning® Gorilla® Glass 5, 400 nits, low power, 72% NTSC; 34.3 cm (13.5") diagonal, WUXGA+ (1920 x 1280), touch, IPS, BrightView, Corning® Gorilla® Glass 5, 1000 nits, 72% NTSC, HP Sure View Reflect integrated privacy screen [12,13,14,15,16]
Available Graphics	Integrated: Qualcomm® Adreno™ 690 Graphics
Audio	Bang & Olufsen, quad stereo speakers, dual array microphones
Wireless technologies	(Compatible with Miracast-certified devices.)
Expansion slots	1 nano SIM
Ports and Connectors	2 SuperSpeed USB Type-C® 5Gbps signaling rate (USB Power Delivery, DisplayPort™ 1.4); 1 headphone/microphone combo
Input devices	HP Quiet keyboard, spill resistant with backlit and DuraKeys; Glass clickpad with gesture support as default, Microsoft Precision Touchpad;
Communications	Realtek 802.11a/b/g/n/ax (2x2) Wi-Fi® and Bluetooth® 5 combo ; Qualcomm® Snapdragon™ X55 5G LTE Cat 20; Qualcomm® Snapdragon™ X20 LTE Cat 16 ;
Camera	720p HD camera; IR camera [12]
Software	Bing Search for IE11; HP PC Hardware Diagnostics UEFI
Fingerprint reader	Fingerprint reader not available
Power	HP 65 W USB Type-C® slim adapter[18,19]
Battery type	HP Long Life 4-cell, 46 Wh Li-ion[17,18]
Dimensions	29.86 x 22.96 x 1.61 cm
Weight	Starting at 1.32 kg (Weight will vary by configuration.)
Energy efficiency compliance	ENERGY STAR® certified; EPEAT® 2019 registered where applicable. EPEAT ® registration varies by country. See www.epeat.net for registration status by country.[22]
Sustainable impact specifications	Low halogen; TCO 8.0 Certified[21]
Warranty	1 year (1/1/0) limited warranty includes 1 year of parts and labor. No on-site repair. Terms and conditions vary by country. Certain restrictions and exclusions apply.

HP Elite Folio 13.5 inch 2-in-1 Notebook PC

Accessories and services (not included)

HP E24d G4 FHD Advanced Docking Monitor

Inspire joy on your desk with the clean connectivity of the HP E24d G4 FHD Advanced Docking Monitor. Add your everyday accessories at the display, then add your PC with just one USB-C™[1] cable. Empower IT to remotely manage HP devices from anywhere on the network through RJ-45.[2,3]
Product number: 6PA50AA

HP 5 year Next Business Day Onsite Hardware Support for Notebooks

Receive 5 years of next business day onsite HW support from an HP-qualified technician for your computing device, if the issue cannot be solved remotely.
Product number: UB0G8E

HP Elite Folio 13.5 inch 2-in-1 Notebook PC

Messaging Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software, or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply, and additional requirements may apply over time for updates. See http://www.windows.com.

[2] 5G module is an optional feature that must be configured at purchase. AT&T and T-Mobile networks supported in the U.S. Module designed for 5G networks as carriers deploy Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100Mhz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP, requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. 5G not available on all products, in all regions. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select countries, where carrier supported.

[3] Enclosure includes top cover, screen bezel, palm rest cover, and bottom cover.

[4] Speaker enclosure component made with 5% ocean bound plastic.

[5] Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. EPEAT® status varies by country. Visit www.epeat.net for more information.

[6] Multiple cores are designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Qualcomm's numbering is not a measurement of clock speed.

[7] 100% Poly Vinyl.

[8] Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6 is backwards compatible with prior 802.11 specs. The specifications for Wi-Fi 6 (802.11ax) are draft and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the laptop to communicate with other 802.11ax devices. Only available in countries where 802.11ax is supported.

[9] Wi-Fi® supporting gigabit data rate is achievable with Wi-Fi 6 (802.11ax) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.

[10] Recharges your battery up to 90% within 90 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance.

[11] Requires Internet access and Windows 10 PC preinstalled with HP QuickDrop app and either an Android device (phone or tablet) running Android 7 or higher with the Android HP QuickDrop app, and /or an iOS device (phone or tablet) running iOS 12 or higher with the iOS HP QuickDrop app.

Technical Specifications Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com/.

[3] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Qualcomm's numbering, branding and/or naming is not a measurement of clock speed.

[4] Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.

[5] Max Boost clock frequency performance varies depending on hardware, software and overall system configuration.

[6] Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.

[7] For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.

[8] Wireless access point and internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6 is backwards compatible with prior 802.11 specs. The specifications for Wi-Fi 6 (802.11ax) are draft and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ax devices.

[9] WWAN module is an optional feature, requires factory configuration and requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.

[10] 5G module is an optional feature that must be configured at purchase. AT&T and T-Mobile networks supported in the U.S. Module designed for 5G networks as carriers deploy Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100Mhz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP, requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. 5G not available on all products, in all regions. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select countries, where carrier supported.

[11] Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.

[12] HD content required to view HD images.

[13] Resolutions are dependent upon monitor capability, and resolution and color depth settings.

[14] HP Sure View is optional and must be configured at purchase.

[15] Actual brightness will be lower with touchscreen or Sure View.

[16] Supports up to 2 external 4K displays at 60Hz in addition to native display. Supports dual display through the dock (sold separately).

[17] Actual battery Watt-hours (Wh) will vary from design capacity. Battery capacity will naturally decrease with shelf life, time, usage, environment, temperature, system configuration, loaded apps, features, power management settings and other factors.

[18] Recharges the battery up to 90% within 90 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 90% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance.

[19] Availability may vary by country.

[20] HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

[21] External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

[22] Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. Status varies by country. Visit www.epeat.net for more information.
