

YOGA S740 (14" & 15.6")

YOU WON'T LEAVE HOME WITHOUT IT.

The Lenovo™ Yoga S740 (14") works and plays in style. Powered by the intelligent performance of 10th Generation Intel® Core™ processors, this ultralight all-metal clamshell boasts a range of smart features designed to optimize your day—for up to 15 hours. Featuring up to 4K VESA400 HDR display with 500 nits, Dolby Atmos® and optional NVIDIA® graphics, this powerhouse will go anywhere.

WHY YOU SHOULD BUY THE LENOVO YOGA S740 (14")

Smarter performance

Lenovo is expanding what's possible in a new class of Yoga laptops co-engineered with Intel® to think smarter with Artificial Intelligence. Enjoy a more intuitive, personalized experience with 10th Generation Intel® Core™ mobile processors that dynamically adjust performance to enable up to 15 hours of a battery with rapid charging; speak to voice assistant Alexa⁶; connect with unprecedented speed thanks to optional WiFi 6; and more.

Up your game

Supercharge your laptop for work and play with optional NVIDIA® GeForce® MX250 discrete graphics. Experience up to 3.5x faster performance over integrated graphics for photo and video editing applications, as well as faster, smoother gaming.

Lenovo™

Enjoy theater-like entertainment, anywhere

Enjoy powerfully immersive entertainment, with up to a 4K VESA400 HDR display with 500 nits and Dolby Vision™¹⁰. Edged with razor thin bezels, this ultra-vibrant display delivers a wider color spectrum without sacrificing detail. And you'll experience rich, layered sound with the Yoga S740's Dolby Atmos® speaker system.

AI anticipates your needs

Among the Yoga S740's range of smarter features are an IR camera and attention sensor. Login with just a smile. Walk away, and your video will pause—and then automatically log-off for your privacy. Move content from your display to a connected monitor, with just a turn of your head; or blur your background during video calls when you're working at home. Smarter anticipates your needs, so you can focus on what matters.

YOGA S740 (14" & 15.6")

YOU WON'T LEAVE HOME WITHOUT IT.

The stylish Lenovo™ Yoga S740 (15.6") lets you create, share, and watch on the go. Delivering desktop-like performance, thanks to up to 9th Generation Intel® Core™ i9 processing and NVIDIA® GTX1650 graphics, this all-metal premium laptop offers a combination of powerful performance and portability. In addition to up to 14 hours of battery life, an FHD VESA400 HDR display combines with the 3-dimensional audio of Dolby Atmos® to deliver truly immersive entertainment.

WHY YOU SHOULD BUY THE LENOVO YOGA S740 (15.6")

Powerful performance

Delivering desktop-like performance on the go, thanks to 9th Generation Intel® Core™ processing, the Yoga S740 offers ultra-responsive performance in a sleek, light device. Experience snappier multitasking, and faster video and photo editing, with up to 5 GHz turbo, 8-Cores and dynamic tuning that automatically adjusts performance for your needs.

Enjoy theater-like entertainment, anywhere

Enjoy powerfully immersive entertainment, with an FHD VESA400 HDR display optimized with 500 nits brightness. Edged with razor thin bezels, this ultra-vibrant 15.6" display delivers a wider color spectrum without sacrificing detail. And you'll experience rich, layered sound with the Yoga S740's Dolby Atmos® Speaker System.

Lenovo™

Up your game

The Yoga S740 features NVIDIA® GeForce® GTX 1650 graphics, for faster and more reliable performance whether you're creating or editing content; gaming or multitasking. Accelerate the programs you use everyday, so that you can focus on what matters.

Modern classic

Crafted from sand-blasted premium aluminum and available in Iron Grey, this ultrasleek clamshell offers sophisticated style with thoughtful details including a webcam privacy shutter.

³ All battery life claims are approximate and based on test results using the MobileMark® 2014 ver 1.5 battery life benchmark test. Actual results will vary, and depend on numerous factors including product configuration and usage, software, operating conditions, wireless functionality, power management settings, screen brightness and other factors. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2014/> for additional details.

⁴ Only available NA.

⁵ Charge one hour in standby mode or while powered off, for up to 80% battery life based on test results using the MobileMark2014 ver. 1.5 battery life benchmark test. See <https://bapco.com/products/mobilemark-2014/> for additional details on testing standard.

⁶ Availability varies across regions. Users may need to download Alexa from the Windows store, if not pre-loaded on the device. Some features will also require a Windows 10 update expected to be released by end of 2019.

⁷ Expected to be available by end of 2019, availability varies by SKU and Geo.

⁸ The actual transfer speed of the USB 3.1 Gen 2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 10 Gbit/s.

⁹ 14" model only.

¹⁰ Expected to be available on HDR displays by end of 2019.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
