

ABB6821VAF Freezer

The safest storage conditions for your frozen food

The electronic temperature control in this freezer keeps the temperature steady and accurate, preventing fluctuations for the highest safety standards.

Perfectly fresh food – straight from your freezer

The FastFreeze function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.

Zero chance that the door is accidentally left open

Thanks to the integrated acoustic alarm, you will know straightaway if the freezer door is left open, ensuring your food is always stored under perfect conditions.
