A++:

Smeg products with A+ or A++ energy rating are highlighted with one of the following Symbols

No Frost:

The No Frost and Frost free systems prevent ice from forming so that no defrosting is required.

Fast freezing:

The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.

Automatic defrost:

The automatic defrost system works by automatically defrosting the fridge section at regular intervals eradicating the need to defrost altogether.
