

Versatile performance. When you need it.
With direct access to the hand unit and onboard accessories, the cordless QX6 allows you to quickly switch from cleaning the floor to those hard to reach areas, and back again, in an instant.

Product Benefits & Features

Uncompromised cleaning performance*, for longer.
Axial cyclonic technology ensures uncompromised performance throughout the clean, even while the dust bin fills up.

- Quick release brush roll
- Integrated crevice tool
- Li-Ion Battery - longer run time and a higher cleaning performance

**With up to 45 minutes run time, to cover more ground.

Ergonomic design, for all-round cleaning comfort.
The QX6's ergonomic design with easy-grip handle and low weight distribution makes cleaning lighter in hand for more comfortable floor cleaning. While the dual-grip handheld ensures comfortable cleaning above the floor, and when reaching high.

Five-step air filtration.
The 5-step filtration system with E10 filter material removes up to ***99.99% >1µm microdust particles, for a perfectly clean home environment.

PETPRO nozzle

Powerful motorized nozzle that connects to the handheld for deep cleaning of furniture and upholstery from pet hair and fibers.

Automatic Brush Roll Clean.

Cleaning the brush roll has never been easier. The simple press of the button automatically clears and vacuums up any hair or fibers tangled in the brush roll.

Product Specification
