Adjustable Stool

Thank you for purchasing this Croydex product. Please follow the fixing and care instructions to ensure your adjustable stool is fitted safely and retains its high quality finish.
Please retain this leaflet for future reference.

This installation guide applies to the following product:
AP130222 - Small White Adjustable Stool

KEEP DIY TOOLS OUT OF THE REACH OF CHILDREN

Product Care
To retain the best quality finish, clean product regularly with a soft damp cloth.
Do not use abrasive or chemical cleaners as these will damage the product.
Dry the adjustable stool after use.Do not strike the product with hard or sharp objects.

Product Location
The adjustable stool must sit flat within the bathroom or within a shower tray.
Curved surfaces of the bathtubs are not acceptable.

Cautionary Note
Please ensure all legs are equal length, the stool is level and all pins are secured in position.

Take care not to extend leg beyond its furthest extension. If the leg is extended beyond this point please note that spring tenstion will propel the pin from the stool, so take care when adjusting the height.

If the pin and spring are removed from the leg, re-insert these components as shown in Fig.A.

Please note that the spring and pin need to be compressed in order to re-insert the leg into the stool.

Fig.A

Fitting Instruction
1. Flip the adjustable stool to reveal its underside.
2. Insert the stool leg into the housing by compressing the small pin - See Fig.1
3. The small pin will 'Click' into the housing securing the leg in position - See Fig.1
4. Repeat this process for all four stool legs.
5. Once all four legs are secured, flip the stool into its useable position.
